New Caterer in Town

Santa Fe Catering Company is now open for business.

The arrival of the new company was announced by owner Michael O'Reilly who owns Pranzo Italian Grill. "This is a full service catering company – from gallery openings to corporate occasions to intimate dinners in the great residences of Santa Fe," said O'Reilly. "Our offerings extend from Continental to French to Italian to Northern New Mexican."

O'Reilly believes that the Community Convention Center is a major opportunity for catering in Santa Fe: "The city has created a beautiful and extremely well-equipped venue that should benefit Santa Fe for decades to come."
